### Legend

LSA = Limited Service Agreement

RA = Road Allowance

SLRA = Shoreline Road Allowance

X = greater than 1. Indicates back lot owners on waterfront and crowding issues. Reflected in arguments between adjacent owners, insufficient snow storage locations, and poor aesthetics.

Assumed = maintained

This does not constitute a comprehensive list of docking on City property, but identifies the areas of concern, which will be addressed through proactive enforcement. Areas of concern are: areas where neighbourhood conflicts exist due to docking, docking is resulting in encroachment into the roadway with resultant hazards.

This list is in order of importance, with highest problem areas first and least problematic areas last. This indicates the order in which the areas will be addressed.
