

Sources:
City provided GIS layers: Trails, urban settlement boundaries, cycling routes, secondary cycling routes, waterways, roads, wetlands, conservation areas, Oak Ridges Moraine Conservation Area, Provincial Parks

ORV routes sourced from Schedule A of By-Law 2019-077

Trail Considerations Legend

- Trail alignments targeted for design improvements
- Trail improvement hotspots
- Context trails and links
 - Existing trails
 - Existing On-road connecting link¹
 - ORV identified routes
- Roads
 - Local Roads
 - Highways
- Context
 - Provincial Parks
 - Oak Ridges Moraine
 - Provincially Significant Wetlands
 - Forest Tracts
 - Conservation Areas
 - Waterways
 - Urban Area boundaries
 - Railines

Notes:

1. Routes identified are currently promoted by Tourism Kawartha and are predominanly accomodated by signage and communication materials. Routes are not formally considered a trail type but provide connectivity between exiting trails which could be enhanced by signage and wayfinding or through the ATMP process.
